STEEL RESIDENTIAL GARAGE DOORS

Haas Door Company warrants its residential RMT-900 series steel American Tradition Series™ garage door sections to be free from delamination or rust-through for so long as the original residential purchaser owns the building where the door sections are installed. In addition Haas Door Company warrants the urethane overlay for a period of 5 years against delamination from the steel. Painting the door or overlay with a paint that has a LRV of less than 35 voids this warranty. All other components are warranted to be free from defects in workmanship and material for a period of one (1) year from date of installation.

This Limited Lifetime Warranty applies only to steel garage door sections manufactured by Haas Door Company and components manufactured or supplied by Haas Door Company. The warranty excludes: (1) Sections and/or component parts which have been damaged due to misuse; (2) Sections and/or components which have been improperly installed, maintained or operated; (3) Sections and/or components that have been damaged due to accident; (4) Sections and/or components that have been damaged due to exposure to corrosive fumes/chemicals, alkaline cleaning agents, condensation or fire; (5) Performance of coatings used to finish the garage door sections; (6) Repair and/or replacement labor charges, including travel cost; (7) Damages resulting from other causes beyond the manufacturers control.

In the event any defect is claimed during the warranty periods, a claim in writing must be submitted to Haas Door Company, directed through an authorized Haas Door Company dealer or installer. This claim must be submitted within fifteen (15) days of the discovery of the suspected defect. The door and all components must be available for inspection by an authorized Haas Door Company representative. Upon verification of a manufacturing defect, Haas Door Company will provide repair or replacement part(s) at its option.

THE MANUFACTURER SHALL NOT BE RESPONSIBLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF ANY BREACH OF THIS EXPRESS LIMITED WARRANTY, including but not limited to any damage to buildings, other property or for any injuries or damages sustained by any person whomsoever, or the recovery of any direct or indirect costs such as shipping, travel, lost time, installation labor charges, paint or painting, cleaning, repair, or other building materials.

This warranty gives you specific legal rights and you may also have other rights that may vary from state to state. Haas Door Company does not authorize anyone to change or modify the above warranties in any respect. **ANY IMPLIED WARRANTY OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE APPLICABLE TO THE RESIDENTIAL MODEL(S) OF INSULATED STEEL OVERHEAD GARAGE DOORS IS LIMITED IN DURATION TO THE DURATION OF THE HAAS DOOR COMPANY WRITTEN WARRANTY SET FORTH ABOVE AND NEITHER HAAS DOOR COMPANY NOR ANY AUTHORIZED SELLING DEALER SHALL BE LIABLE FOR LOSS OF TIME, INCONVENIENCE, COMMERCIAL LOSS, OR OTHER CONSEQUENTIAL OR INCIDENTAL DAMAGES.** Some states do not allow limitations on how long an implied warranty will last or the exclusion or limitation of incidental or consequential damages, particularly in consumer transactions, so the above limitations or exclusions may not apply to you.
